The Heart of a Town Lies in its People

Public Notice

The Town of Baie Verte would like to remind residents that although Snow Clearing Regulations state that garbage boxes /containers /shelters **MUST** be moved back from curb/sidewalk a minimum of **10 FEET** as not to impede snow removal from Town streets and Town owned property, the Garbage Collection Regulation still requires garbage to be placed **CURBSIDE** and properly covered or in a garbage container on collection days.

Failure to do so will result in non-collection.

Thank you for adhering to these Town Regulations.

Town of Baie Verte
